CARTOON NOTES

Welcome to the first issue of CARTOON NETWORK STARRING. Every month we'll bring you all-new adventures of your favorite new Cartoon Network Stars.

This month, we're proud to present the comic-book debut of THE POWERPUFF GIRLS. Whenever the village of Townsville is threatened by marauding menaces, Blossom, Bubbles and Buttercup are there to save the day—and all before bedtime! This month's cover story was written and drawn by Craig McCracken, the mad genius behind the Powerpuff Girls cartoon. Craig came up with the characters when he was an animation student. His student film caught the eye of the head honchos at the Cartoon Network, and now the most powerful and adorable fighting team the world has yet known are the stars of their own show and comic book. Go, girls, go!

Next month in issue #2 Cartoon Network's gift to women—JOHNNY BRAVO—makes his comic-book debut! HOO! HAH! Follow his cool adventures as he lands on an island of Amazons and then is mistaken for Bigfoot! PLUS, "Johnny's Tips T'Live By" tells you how to be a babe magnet—you write to Johnny!

The month after that in issue #3 the world's strangest brother and sister—COW & CHICKEN—learn about growing up and go to an amusement park. PLUS I.M. Weasel in his first comic-book appearance as the world's greatest comic book creator! Oh, and I.R. Baboon's there, too.

In #4, we present the final member of the CNS lineup, none other than SPACE GHOST, COAST TO COAST. You'll see Space Ghost, Zorak, Brak and Moltar as you've never seen them before. Written and drawn by Andy "Brak" Merrill and drawn by Clay "Zorak" Croker, the first story goes behind the scenes of the show and deep into the suburbs to find out just what makes Tad Ghostal tick.

In the meantime, sit back and enjoy this issue's tale of danger and heroism, "Snack in the Face." As a special bonus, here's a mini-poster of the Powerpuffs' leader, Blossom!
